PROBABLE CAUSE STATEMENT

I declare under penalty of perjury the following statement is true and correct:

1. I am a Special Agent of the Federal Bureau of Investigation (FBI), currently assigned to the San Diego Field Office. The information contained in this probable cause statement is based upon my personal knowledge and on information I have learned from reviewing official reports and speaking with other Special Agents of the FBI, San Diego County Sheriff's Department, and other law enforcement agencies.

2. On Saturday, September 15, 2007, I conducted interviews at the Washington Mutual Bank, 2644 Jamacha Road, El Cajon, California, which had been robbed on Friday, September 14, 2007.

3. I have learned the following from the victim teller: On Friday, September 14, at approximately 5:10 p.m., the victim teller was working at her teller window when a lone white female, later identified as TAMERA ANNE PRAZMA, approached her teller window. PRAZMA placed a sealed white envelope onto the teller counter. The victim teller asked, "Deposit?" thinking it was a legitimate business transaction. PRAZMA did not respond. The victim teller opened the envelope and found a robbery demand note inside. The demand note read, "DO NOT HIT ALARM. ONLY 100's AND 50's. NO DYE PACKS AND NO BAIT. FOLLOW MY INSTRUCTIONS AND NO ONE GETS HURT. 10K - Put in envelope." PRAZMA held her hands at her

1 side where the victim teller could not see them. The victim
2 teller complied with the demand note and placed U.S. currency
3 from her teller drawer into a bank envelope. PRAZMA took the
4 loot from the victim teller, turned and walked out of the
5 bank via the north lobby doors. The victim teller
6 immediately activated her robbery alarm and told other
7 employees that she had just been robbed. The victim teller
8 looked outside the bank and observed the robber getting into
9 the driver's seat of what she described as a newer model
10 black Ford F250 pickup truck which was parked in the lot just
11 north of the bank. The pickup truck backed out of the
12 parking space and quickly drove away. The victim teller
13 described the robber as follows:

14	Race:	White
15	Sex:	Female
16	Height:	5'6" - 5'8"
17	Build:	Stocky; large torso
18	Disguise:	Bushy blonde hair past the
19		shoulders; possibly a wig
20	Clothing:	Faded maroon flannel button-
21		down long-sleeved shirt with
22		beige buttons
23	Glasses:	Large, black plastic framed
24		sunglasses

25 4. I have reviewed Crime/Incident Reports prepared
26 by Deputies of the San Diego County Sheriff's Department.
27 Those reports include the statement of a bank
28 employee/witness who was interviewed on September 14, 2007,

1 shortly after the robbery of the Washington Mutual Bank, 2644
2 Jamacha Road, El Cajon, California, who advised as follows:
3 Immediately after she was notified that the bank had just
4 been robbed, the witness observed a female matching the
5 robber's description getting into the driver's seat of a dark
6 blue newer model Ford F150 pickup truck bearing California
7 disabled license plate DP0283A. The getaway vehicle backed
8 out of the parking space and fled the area.

9 5. On Wednesday, October 24, 2007, I reviewed a
10 report prepared by the California Department of Motor
11 Vehicles (DMV). The DMV report listed all California
12 disabled license plates assigned to Ford vehicles in the
13 County of San Diego. During my review of that report, I
14 identified vehicle license plate 0283A DP as being assigned
15 to a Ford vehicle. The registered owners of that vehicle
16 were identified as RANDY PRAZMA and TAMERA PRAZMA, 964 - 12th
17 Street, Imperial Beach, California. DMV records described
18 TAMERA PRAZMA as a white female, 5'2" tall, weighing 175
19 pounds. I obtained a color photograph of TAMERA PRAZMA's
20 California Driver's License.

21 6. On Thursday, October 25, 2007, at approximately
22 9:15 a.m., I observed a newer model navy blue Ford F150
23 pickup truck, bearing California Disabled Plate 0283A DP,
24 parked on the street at the entrance to the west alley of the
25 900 block of 12th Street, Imperial Beach, California.

26 7. On Thursday, October 25, 2007, at approximately
27 9:20 a.m., I contacted TAMERA PRAZMA at 964 - 12th Street,
28 Imperial Beach, California, which she confirmed was her

1 residence. TAMERA PRAZMA also confirmed that the Ford F150
2 pickup truck bearing California license plate 0283A DP, which
3 was parked nearby, belonged to her and her husband. During
4 that contact, I was accompanied by another FBI Special Agent
5 who informed me that he observed what appeared to be a new
6 flat screen television inside PRAZMA's residence.

7 8. On Thursday, October 25, 2007, at approximately
8 10:00 a.m., I interviewed TAMERA PRAZMA at the San Diego FBI
9 Field Office. After being advised of her Constitutional
10 Miranda rights, PRAZMA advised that she wished to speak to
11 her attorney before answering questions. At that point, the
12 interview was terminated and PRAZMA was taken into custody.
13 During the course of the booking process, I observed that
14 PRAZMA's sandals appeared to be identical to the sandals worn
15 by the bank robber as depicted in the surveillance
16 photographs from the September 14, 2007, robbery of the
17 Washington Mutual Bank, 2644 Jamacha Road, El Cajon,
18 California. PRAZMA's sandals were subsequently seized as
19 evidence.

20 9. Based on my review of TAMERA PRAZMA's DMV
21 photograph, as well as my personal observations of TAMERA
22 PRAZMA's physique, it appears that TAMERA PRAZMA is the same
23 individual depicted in bank surveillance photographs as the
24 individual who robbed the Washington Mutual Bank, 2644
25 Jamacha Road, El Cajon, California, on September 14, 2007.

26 10. PRAZMA is described as follows:

27 Name: TAMERA ANNE PRAZMA

28 Race: White

Sex: Female
Date of Birth: July 6, 1970
Height: 5'2"
Weight: 200 pounds
Hair: Blonde
Eyes: Brown
Social Security #: 403-27-9633
Residence: 964 - 12th Street
Imperial Beach, California

11. I was advised during the course of my investigation on September 15, 2007, that the deposits of the Washington Mutual Bank, 2644 Jamacha Road, El Cajon, California, were insured by the Federal Deposit Insurance Corporation (FDIC) at the time of the robbery on September 14, 2007. The Washington Mutual Bank suffered a loss of \$5,700.00 as a result of that robbery.

Executed on October 26, 2007, at 10:45 a.m./p.m.
